ENRIQUE ESTRADA NUÑEZ

Profile

I am a Senior **Front End and Email Developer, UI and UX** with 8+ years of experience, pro-active and very responsible. Good communication skills, teamwork and leadership. I like constant growth, new knowledge and challenges.

Results-oriented, dedicated to creating and optimizing interactive, user-friendly, and feature-rich websites. Leverage analytical skills and strong attention to detail in order to deliver original and efficient web solutions, provide technical knowledge and expertise, build new websites from start to finish, and successfully manage a team of other software professionals

WORK EXPERIENCE

Web Developer Senior Analyst - Accenture (currently)

From July 2020, Currently Working.

I am Email Marketing Developer Senior creating Email Campaigns using Salesforce as main tool and my daily tasks include create emails from scratch, create Data Extension for the Dynamic Information, troubleshooting and provide maintenance for live campaigns.

You can refer to my portfolio to see the projects [click here](#)

Owner Front End Developer - TrigaMedia (currently)

From October 2018, Currently Working.

I am a trainer at CyberU and Colegio Boston teaching about Web Development. I was in charge of developing end to end the website for AsesoresPyme and Cyber U, this included doing design and development stage and maintenance post production.
